MEMORANDUM FOR THE RECORD

SUBJECT: Digitized Measuring Light Table Repairs

On 29 September 1969, I discussed the problems of the Digitized Measuring Light Table with [] facility manager of the local [] [] plant, where the system was fabricated. Jim said that he felt responsible for getting the system working and that there would be no charge for services required to get the system running. Jim said that he was assigning [] to the task and that they would work on it until the system was running reliably.
